

Dear Friends of our Community:

A Walk Together; United Against Sex Trafficking is proudly hosting the sixth annual walk on Saturday, April 27, 2024, the location is to be determined.

Last year we raised a total of \$37,672 in sponsorships, registrations, and \$10,935 in-kind donations and had over 100 walkers registered and 38 sponsors. All proceeds from the event provide services for survivors of sex trafficking/exploitation, other forms of sexual violence, and child sexual abuse. Central MN Sexual Assault Center (CMSAC) facilitates these services.

We could not do the work we do for survivors of sexual exploitation without the help of generous businesses like you! We are looking for sponsors to support our cause.
