

Hello, my name is Renee Kaitchuck, founder of G.R.A.S.E. House Ministries (Grace & Restoration After Sexual Exploitation). My heart and passion is to meet people where they are at and to be able to walk alongside them in their healing journey. "From Crisis to Self-Sufficiency" is really the heart behind this ministry.

As a survivor myself, I know the importance of Educating, Equipping, and Empowering not only the residents who will be helped but also the staff and volunteers who work day in and day out with our survivors. At the very heart of things, we get to be the Hands and Feet of Jesus and model what it looks like to meet people where they are at and to love them well.

Through partnering with existing organizations and resources, we can and will make a difference, one life at a time.
